

WARWICK GATES FAMILY HEALTH CENTRE

Dr Moira Rose
 Dr Suzanne Redfern
 Dr Jennifer Burns
 Amanda Kettle

Friends and Family Testing (FFT)

JULY 2023

					
Extremely Likely	Likely	Neither likely nor unlikely		Unlikely	Extremely unlikely
26	1	2		1	1

Please tell us what we are doing well	Told reception what was wrong she took down this info and said I would be contacted by either Dr or text. Dr Evans rang me and I was able to see him. I do get worried because of my cancer he was patient, reassuring and basically sorted me out. When u have a serious illness I cannot say how much this reassurance means.
Please tell us how we can improve
